

AMBASSADOR PROGRAM

Everything you need to know

Make money from your adventures by sharing AdvenBook.

How it works

Want to make extra cash from your content? Our ambassador program makes it easy.

- Share your link with your audience.
- When someone comes through your link, creates their account and orders within **30 days**, you earn a commission.
- We total up your earnings every month and pay you by **bank transfer**.

EXAMPLE

What you earn

With a **15%** rate and an average book at **€100**:

€15

for you, on every sale.

With 10 books, that's **€150** in your pocket!

15% for our first 10 ambassadors, then 10%.

How to create your link

- Sign up at **advenbook.com/en/affiliation** (one minute, with your AdvenBook account).
- Pick your short address: **advenbook.com/yourname**
- It leads to the homepage. To point to another page, add **?ref=YOURCODE** at the end of its address.
- Done! Use your link anywhere: Instagram, blog, emails, YouTube.

Your dashboard shows your clicks, sign-ups, sales and earnings.

How to share it

Think about where your audience engages with you. Share your link in a way that feels helpful, not pushy.

- Instagram or TikTok link in bio, posts, reels or stories.
- DMs, when someone asks how to keep their memories.
- Linktree, your blog or your website.
- Your YouTube videos: in the description, and out loud.

> **Pro tip:** add value with your link. Tell the story of your adventure, show your book, share your tips.

Where to link

Pick the page that makes the most sense for your content. Wherever you link, if they create their account and order within 30 days, you earn your commission.

Link in bio

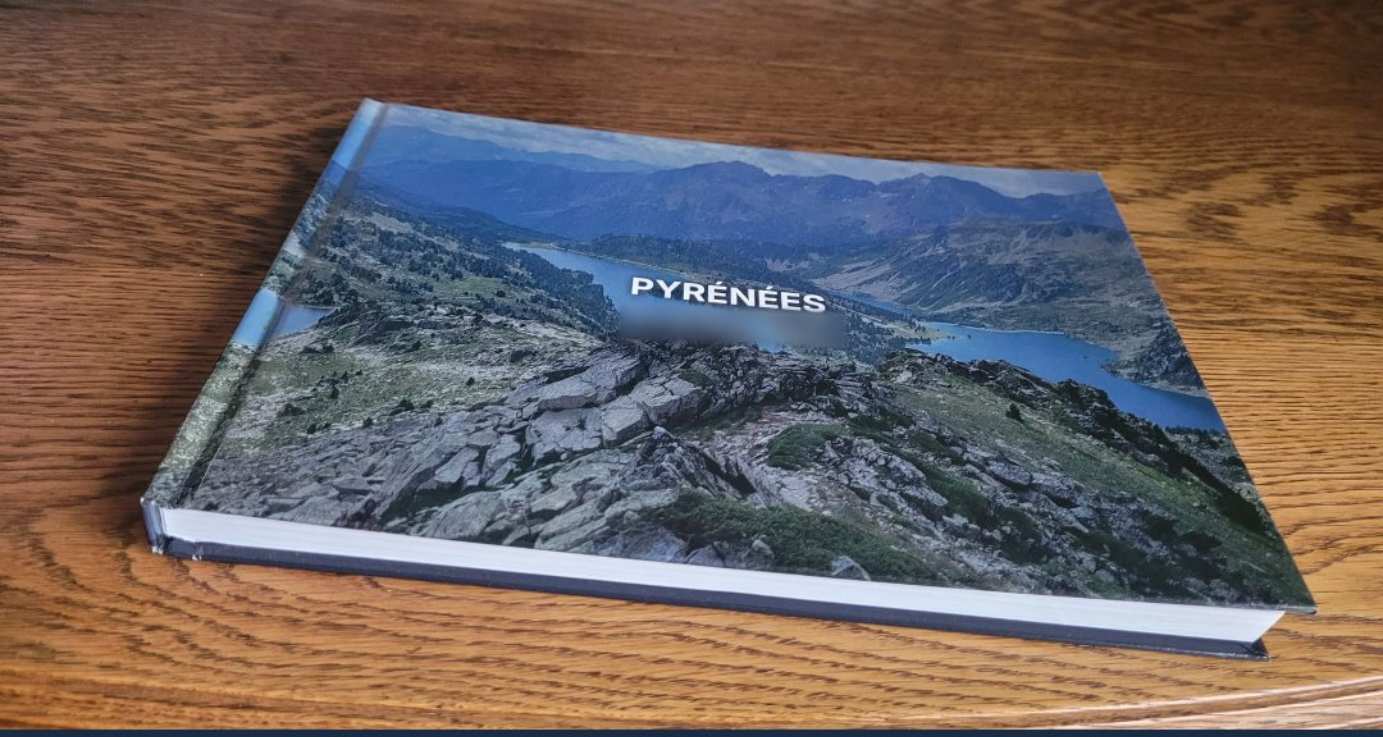

The homepage: your short address is enough.

Gift or Christmas post

The gift pages (hiker, trail runner, cyclist...) or the gift card.

Your audience has no time
